

2" BRAD NAILER, 18 GAUGE

NEW TOOL OVERVIEW AF506

FEATURES

- Powerful motor drives a range of 18 gauge brad nails from 5/8" to 2" into hard or soft wood applications
- Aluminum body, magazine and cylinder for strength and durability; weighs only 2.9 lbs.
- Cast and machined nose piece for precise contact
- Non-marring rubber nose and bumpers protect the wood's surface from being scratched or damaged
- Reversible belt hook allows the tool to remain close
- Dual nail reload indicator window alerts the user when to reload nails to avoid blank drives
- Multi-directional exhaust port directs exhaust air away from operator
- Integrated rubber soft grip for operator comfort
- Ideal for trim work, baseboard and crown molding installation, flooring and other woodworking applications
